FOR IMMEDIATE RELEASE:

## **Girard Equipment Continues with Global Expansion with a New Manufacturing Facility and Corporate Headquarters in Florida.**

Girard Equipment, USA has completed its move to new corporate headquarters and a manufacturing facility in Vero Beach, Florida. Girard locations now include manufacturing service centers in Linden, New Jersey and Houston, Texas, as well as the new locations in Vero Beach.

Additionally, there are four regional sales offices: Chicago, IL, Beijing, China, the United Kingdom, and Rotterdam,

Netherlands with more openings being announced in 2010.

This new location in Florida is central to meeting the growing demand for Girard products and services worldwide. Vero Beach enjoys great access to local ports, including the Port of Miami and Port Canaveral.

"In spite of the tough economic times, we have seen more opportunities to serve our customers with several new products being added this year, as well as the opportunity to continue our high level of service by adding this new location" states Tim Girard, President. "This location is ideal for the well-organized distribution, transportation and delivery of our popular line of products to companies all over the world," he adds.

Girard Equipment, USA, family owned and operated since 1952, is one of the world's leading builders of road tanker equipment and the only manufacturer of Tank Container Equipment in North America.

For close to 60 years, Girard Equipment has been dedicated to the production of quality parts, while offering first-rate service and support to its loyal customer base. Website: [www.girardequip.com](http://www.girardequip.com)
