FOR IMMEDIATE RELEASE

Girard Equipment, USA adds Central Connecticut Tank as an Authorized Distributor

Girard Equipment has added Central Connecticut Tank as an authorized distributor of their products.

LINDEN, NJ, June 4, 2010, Girard Equipment, USA is proud to announce that they have added Central Connecticut Tank Fabrication and Truck Repair, LLC (CCT) as an authorized distributor. Girard Equipment embraces this new partnership and believes that this new relationship will generate greater availability of Girard products for its customers backed by exceptional service from Central Connecticut Tank.

Craig Marturano, General Manager of Girard Equipment, Inc., on their new distributor: "The recommendation to add Central Connecticut Tank to the Girard family of distributors was simple. With tremendous growth potential and exceptional leadership from Thomas Pelloni, President, CCT will provide Girard Equipment and its many customers a viable distributor in the Northeast."

About Girard Equipment, USA

Girard Equipment, USA is North America's leading builder of pressure control equipment for road tankers, IBC's, Rail Tank Cars and tank trailers. Girard has sales centers in La Porte, TX and Linden, NJ with branch offices in Chicago, IL, Rotterdam, Beijing and the United Kingdom.
